

## Fort Dearborn Life Welcomes Noah Robinson

*by PR-Newswire*

Fort Dearborn Life Insurance Company, a subsidiary of Health Care Service Corporation, a Mutual Legal Reserve Company, is pleased to announce the addition of Noah Robinson as director of group administration technical.

"Noah has a history of key leadership roles in the insurance industry," said Leah Bytheway, vice president of group administration. "His experience in project management and process improvements will help Fort Dearborn Life continue to be a provider of choice within our chosen markets."

Robinson has more than 10 years of experience in the insurance industry and was most recently a director at CNA Insurance. Previously, he held positions at GE Capital Corporation, Chubb Group of Insurance Companies, American Country Insurance and USF&G Insurance.

Robinson received a bachelor of arts degree in economics from the University of Pennsylvania and a master of management degree from the Kellogg Graduate School of Management at Northwestern University.

With more than 35 years experience, Fort Dearborn Life is among the country's leading providers of employee benefits. Fort Dearborn Life markets group life, short- and long-term disability, group dental and individual annuity programs. Fort Dearborn Life has \$2 billion in assets and \$151 billion of life insurance in force. Fort Dearborn Life is rated A (Superior) by A.M. Best Company, affirmed Aug. 10, 2006, and is rated A (Strong) by Standard and Poor's for financial strength in its most recent report.
