

Boost your Income while providing your clients with cutting edge financial solutions

by Editor

Metropolitan Advisory Group Inc. (MAG) helps insurance brokers, financial advisors and wealthy individuals maximize the full potential of new opportunities that now exist in the insurance marketplace. MAG's strategies can allow an advisor to dramatically boost their own income while providing their clients with more valuable advice and cutting edge financial products. Your clients may not be aware that they can qualify for more life insurance if they have not already purchased the maximum amount available to them based on their net worth and excess insurability. MAG provides eligible seniors with alternative financing solutions. MAG's unique product offerings help high net worth individuals preserve their wealth for generations to come. By providing multiple strategies and an estate planning tools, MAG is able to suit the high net worth individuals' potential needs. We can also help to facilitate any transactions pertaining to:

- In-force Life Insurance Premium Financing
- Life Settlements
- Loans against existing life insurance policies
- Premium Financing For New Insurance Policy
- Private Money Programs
- Investment Bank Programs
- Traditional Bank Financing Programs

The primary candidates for our programs are the high net worth individuals whom fall into the age bracket of 50 to 85 with a minimum net worth of \$2MM. Being able to offer multiple premium finance loan programs enables MAG to offer the most beneficial products to the client. Using our broad network of global investors and partners, we can customize financial solutions for insurance industry professionals and their clients. We have the capabilities to design new products that will meet your needs. If you have any specific requests or questions, please don't hesitate to inquire. We look forward to working with you and establishing a mutually beneficial business relationship.
